# CERTIFICATE

registration number 015/24/05/01/W

**TÜV SÜD Slovakia s.r.o.**  
**Product Certification Body**

certifies herewith that the organization

**KPK spol. s r.o.**  
**Kollárova 75,**  
**SK - 036 01, Martin**  
**IČO: 31 59 0179**

has established and applies a welding process in the field of:  
**Engineering production – cranes, lifting and handling equipment, crane  
runways, automatic storage systems**  
in compliance with the requirements of the standard

**STN EN ISO 3834-2:2021**

In the organization a certification (scheme: 6) and an audit of the process for manufacture by welding were performed, the results of which are referred to in Audit Report registration number 7165060718/50/2024 dated 29.10.2024.

This certificate is valid from **06.11.2024** to: **05.11.2027**

Details and conditions of validity are referred to in the Annex which forms an integral part of this certificate and contains 1 page.

In Bratislava, on 06.11.2024

  
**Ing. Peter Šustek**  
For the Certification Body

TÜV SÜD Slovakia s.r.o., Jašíkova 6, 821 03 Bratislava

## DETAILS AND CONDITIONS OF VALIDITY

1. **Type of product (products):** cranes, lifting and handling equipment, crane runways, automatic storage systems, steel structures
2. **Product standards or alternative standards:** Customer standards

**Standards, documents related to proving compliance with the requirements of STN EN ISO 3834-2:** EN ISO 9606, EN ISO 14731, EN ISO 14732, EN ISO 15607, EN ISO 15609-1, EN ISO 15613, EN ISO 15614-1, EN ISO 9712, EN ISO 17635, EN ISO 17636, EN ISO 17637, EN ISO 17638, EN ISO 17639, EN ISO 17640, EN ISO 17662, STN EN 1090-2, STN 743305, STN EN ISO 3452-1,5,6, STN ISO 7363, STN EN 15011.

3. **Welding processes, material groups:**

<i>Welding processes (according to ISO 4063 and EN 13607)</i>	<i>Base material groups (according to CEN ISO/TR 15608)</i>
STN ISO 4063 - 135	1.1, 1.2

4. **Responsible welding coordinators:**

<i>Title/Name/Surname</i>	<i>Qualification</i>	<i>Function</i>	<i>Level (according to ISO 14731)</i>
Matej Galmiš	IWT – T-2/2024 since 29.1.2024	Dedicated welding coordinator	In the full production range

5. **Conditions of validity**

- This certificate is valid exclusively for its holder and for the products referred to in the certificate.
- Any transfer to third parties as well as use of the certificate by third parties is forbidden.
- Any changes of the production technology, equipment, welding procedures and responsible persons compared to the certified making shall be reported to TÜV SÜD Slovakia s.r.o. without delay. This may have impact on further validity of the certificate depending on the additional evaluation.
- TÜV SÜD Slovakia s.r.o. supervises the proper realization of the manufacturing process at the manufacturer.
- This certificate is renewable upon request.
- This certificate may not be reproduced otherwise than complete including all Annexes.
- The holder of the certificate undertakes to keep records of all complaints, if any, regarding the product conformity with the regulatory requirements and requirements of the standards and make these records available to the Certification Body of TÜV SÜD Slovakia s.r.o.
- The holder of the certificate undertakes to observe the General Conditions for Product Certification of TÜV SÜD Slovakia s.r.o.
- In unspecified matters (advertising, use of certification mark and certificates) the current General Terms and Conditions for Product Certification shall be observed.
- This certificate is no substitution for the assessment of product conformity according to Act No. 56/2018 Coll. on conformity assessment of the product, making available of the determined product on the market as amended, Act No. 254/2011 Coll. on transportable pressure equipment as amended and Act No. 133/2013 Coll. on construction products as amended. It does not serve for proving product conformity with these regulations and related EU legislation and with other generally binding statutory regulations.
